Participant Comments

- *"You are the best speaker we've ever had!"* - International Association of Commercial Collectors - 1/18/08
- *I wanted to let you know that the feedback I received from Col. Marlar at the KS Natn'l Guard was excellent! He said that he has been bringing in or facilitating training for 15 years, and he has **never** had people go back to their office and have such a buzz, talking about what they learned! **He said that this ranked within the top 2-3% of the training he had seen, and was very pleased. WOW!***
- ***This should be mandatory for everyone who deals with people!*** Mr. Lowry is friendly, honest, knowledgeable, and credible. I would not hesitate to attend another program presented by him. Tom Mullaney, Police Dept, Neshanic, NY
- I am writing to let you know how pleased we were with the "Exceptional Customer Service" seminar presented by Keith Lowry **to over 700 employees at Audrain Medical Center**. Keith was a dynamic and humorous speaker who kept the same level of intensity the last of seven days as the very first. **Our employees gave him great reviews!** Several employees have asked me if we could bring him back again! Members of our senior management are very pleased, as well, with the response these seminars have generated from our employee group. Personally, working with Keith proved to be extremely easy, fun, and never a dull moment. On behalf of Audrain Medical Center, I thank you for a wonderful experience! Faye Fairchild, Mexico, MO
- Keith is funny, articulate, excited, and exciting. **He made a potentially dull day fly by.** Just the kind of information I was looking for. Helpful...packed full of information. D. Cobb, Ithaca, NY
